Thank you for your follow-up attempting to correct the reflection of your claim on the official claims register. The easiest way to accomplish this will be to execute the attached two documents. The first is an amended claim form re-stating the amount of your claim, and referencing the previously filed claim. The second is a withdrawal of the previously filed claim, to ensure that you do not end up with two claims, and to spare the estate the expense and administrative effort of needing to object to your original claim as being superseded by the later filed claim.

If you could sign, date and execute both and return to me electronically I can take care of it. Additionally, if you could mail the original of the amended claim to my attention, I will make sure that it gets filed appropriately.

Hi,

I received a letter from Epiq ref:final request to confirm the convenience election (1st attachment) and I was surprised. Actually despite of the fact I have reported a mistake in my ballot (the total amount of \$75, 904.34 in the Ballot A9 is wrong and I was not intitled to receive ballot 9 (see Mails below and 2nd attachment) I keep receiving letters as if I have not reported the mistake and nobody has taken notice of the requested amendment. I hope that this will not cause me to face legal problems.

Could you please take note of my real total claim as per 2nd attachment?

As the total amount of \$75, 904.34 in the Ballot A9 is wrong, please let me know if I have to sign or not the final request to confirm the convenience election.

many thanks

Kind Regards

Dear all,
Please find herewith attached my proof of claim amended by my lawyers to be recorded. This new doc will substitute the one sent with wrong calculation by my lawyers in August 2009.

Kind regards.

Hi Patrizia:

As mentioned in my previous email to you, filed proofs of claim as of the Voting Record Date, August 1, 2011, will be the claims counted for voting purposes. Therefore, your claim (13710) and the ballots associated with same will be the ballots counted. The updated/amended claim that you provided, which is attached will not be considered for voting purposes.

As discussed, you are not required to vote. If you do not vote on ballot 9A (\$75,904.34), then the votes of those that return ballots will determine if the Plan is accepted by the Debtors' creditors or not. If the Plan is confirmed by the Bankruptcy Court, the Plan will be binding on you and you will be treated in the same manner as others in your Plan class whether you voted or not.

Regards,

Elli

Thank you.

what I want to stress is that claim 13710 is higher than I expect and so the Ballot A9 is wrong. Have I to send it and vote even if wrong or as I think I may ask for a new one A9 or A6 to be sent to my attention?

Kind regards

Patrizia

Subject: Ballot - VERY URGENT

Hi,

With reference to above Ballots received by mail, could you please explain the total amount of \$75, 904.34 in the Ballot A9? I have difficulty in understating how this amount has been calculated. I have some doubts about the correct amount that is reported in the ballot.
It is very important as within 4 November I have to send the 2 ballots with acceptance.
Please let me know.
